

Ways to Get Involved

1. Match your child's enthusiasm for learning and be present
 2. Laminate materials
 3. Talk about their school day during dinner
 4. Show off their artwork
 5. Ask what they learned today
 6. Ask them to sing a song while you cook or wash dishes
 7. Celebrate achievements
 8. Make simple toys like matching games
 9. Make coloring pages for the kids to color
 10. Be prepared with a list of questions for parent teacher conferences
 11. Let the teacher know of any changes at home to better prepare them for the day
 12. Create newsletters
 13. Brainstorm field trip ideas
 14. Encourage your child to practice school skills in real life
 15. Chaperone a field trip
 16. Offer any specialized skills
 17. Host a game in the classroom
 18. Teach the kids a song in the classroom
 19. Share information about parenting classes
 20. Start a weekly get together at a local park
 21. Offer help to other parents
 22. Organize a "back to school" day for parents to see what their kids do at school
 23. Read a book with your child for at least 20 minutes every day
 24. Compile a list of useful library books
 25. Build a block structure with children
 26. Find guest speakers
 27. Act as a playground monitor
 28. Organize a school beautification day
 29. Offer to help with paperwork
 30. Ask the fire department to visit and teach kids about fire safety
 31. Offer to update bulletin boards
 32. Offer help for class art projects
 33. Organize art supplies
 34. Organize a car seat check day
 35. Help children with coats and shoes/boots
 36. Organize a classroom art show
 37. Offer to help with projects you can take home
 38. Make a scrapbook for the year
 39. Offer to help take down decorations at the end of the school year
